I learned this lick from Pete Huttlinger! Love this one, and I use it as an ending-lick in the key of C!

The image shows a guitar lick in the key of C major. The notation is as follows:

- Treble Clef Staff:** The lick starts with a quarter note G4 (open string), followed by a quarter note A4 (open string), a quarter note B4 (open string), and a quarter note C5 (open string). This is followed by a quarter note G4 (open string), a quarter note F4 (open string), a quarter note E4 (open string), and a quarter note D4 (open string). The next measure contains a quarter note C4 (open string), a quarter note B3 (open string), a quarter note A3 (open string), and a quarter note G3 (open string).
